BORTOLOMIOL
VALDOBBIADENE

**Prosecco di Valdobbiadene
"Bandarossa" Extra Dry NV**

Never had a bottle of Prosecco that went beyond being fun to achieve real excellence? Your ship has come in, and this is it: A wine of very impressive depth and dimension, with vivid floral aromas and great fruit, all tied together with fresh acidity. A frothy version of the best apple you've ever tasted, this is not sweet but fruity, and will work wonders with all sorts of antipasti.
