

CHÂTEAU DE CAMPUGET

## TRADITION BLANC 2013

**Roussanne (60%), Grenache blanc (30%), Marsanne (10%)**

This is traditional winemaking: After being gently crushed with a pneumatic press, fermentation takes place on fine lees inside stainless-steel tanks. The temperature is controlled at 64°F in order to obtain the best aromatic extraction. After racking and filtering, the wine is bottled at the Château. Its color is a golden-yellow-green. It exhales fine scents of flowers and white-fleshed fruits. Its character is seen in a well-balanced structure, beginning with a round and fruity taste of peach and apricot, and ending on a fresh and persistent note of citrus fruits. Its best aromatic expression is immediately reached in the first year and continues for 2 to 3 years.

Served at 57°F, it is perfect with shellfish and grilled fish. It is especially recommended with any delicate fish.

### Nick's Wine Pick - Quaffable Inexpensive White Rhône In London Chateau de Campuget, Costières de Nîmes 2013

*"I have immense admiration for people who make quaffable, everyday wines at ridiculously low prices that, at the same time, actually taste of fruit. It's a clever, difficult trick to pull off. The reverse, of course, is ridiculously expensive, over-worked, over-polished wines whose only boast is a total absence of personality."*

*"Hailing from the less fashionable, less expensive, south-western corner of the large Rhône appellation, it was a pure delight. Dry and bright, its crisp, citrus freshness given substance by the fleshy southern Rhone varietals. A clever trick to pull off indeed."* - Nick Passmore - Forbes.com

### Wine Enthusiast - 87 Points - Best Buy!

*This medium-bodied blend of 60% Roussanne, 30% Grenache Blanc and 10% Marsanne displays moderately fruity aromas of pineapple and honeydew. Some notes reminiscent of wet stones creep in on the palate, and bright citrus notes mark the finish. Drink now and over the next few months.*
