## NORTHWEST WINE: THINGS FROM THE SEA GO WITH PINOT GRIS

BY ANDY PERDUE AND ERIC DEGERMAN  
GREAT NORTHWEST WINE

The crisp, refreshing flavors of Northwest Pinot Gris pair perfectly with our coastline's natural bounty. Shellfish, halibut, salmon.

They all are perfect accompaniments with Pinot Gris, which has grown into being Oregon's No. 1 white wine grape and Washington's No. 3.

### Boomtown by Dusted Valley 2015 Pinot Gris Columbia Valley

*Of the five stand-alone varieties bottled under this second label for Walla Walla's Dusted Valley, Pinot Gris is the largest component. It's a delicious, fruity and crisp version. Stainless steel production brings aromas and flavors of pineapple, Uncola and jasmine with tangy tartness and a finish of lemon meringue pie.*

*Enjoy with creamy pasta, smoked foods and Shrimp Satay.*
