Dusted Valley continues roll out delicious, food-friendly wines under this nationally distributed brand.” - Andy Perdue, Great Northwest Wines

What is BOOMTOWN?

100% of the fruit comes from Columbia Valley in Washington State. “Boomtown by Dusted Valley offers varietal specific wines with one goal – to over deliver. We affectionately refer to Boomtown as Dusted Valley’s little brother. Stylistically you are going to experience a lot of similarities with our Dusted Valley wines and taste some of those classic Washington State hallmarks such as fresh fruit and minerality. The word Boomtown evokes a sense of excitement and adventure and speaks to our family’s quest to pursue our dream of crafting world-class wine in Washington State. We took a leap of faith, left our comfort zone behind and forged our own path. This is our BOOMTOWN!” - Corey Braunel

Winemaker’s Notes: Washington State Syrah has it going on. The Boomtown Syrah has classic notes of blueberry, juicy black raspberry along with subtle hints of herbs de Provence. To sum it up; new world fruit meets old world complexity.

GREAT NORTHWEST WINES – OUTSTANDING!

One of Washington state’s most consistently outstanding examples of Syrah – regardless of the price – is Boomtown by Dusted Valley Vintners.

Gorgeous aromas of blueberry, black cherry and sweet oak include complex touches of earth, straw and bramble. It’s downright yummy, leading with flavors of Triple Berry Pie. Pomegranate acidity stays just ahead of the black currant skin tannins, providing delicious balance and revealing itself as a cool-climate Syrah.

This is the fourth consecutive vintage for the Boomtown Syrah merited our top rating. And fortunately, they’ve nearly tripled production since 2011.

Rated “Outstanding!” by Great Northwest Wine.
