Dusted Valley continues roll out delicious, food-friendly wines under this nationally distributed brand.” - Andy Perdue, Great Northwest Wines

What is BOOMTOWN?

100% of the fruit comes from Columbia Valley in Washington State. “Boomtown by Dusted Valley offers varietal specific wines with one goal – to over deliver. We affectionately refer to Boomtown as Dusted Valley’s little brother. Stylistically you are going to experience a lot of similarities with our Dusted Valley wines and taste some of those classic Washington State hallmarks such as fresh fruit and minerality. The word Boomtown evokes a sense of excitement and adventure and speaks to our family’s quest to pursue our dream of crafting world-class wine in Washington State. We took a leap of faith, left our comfort zone behind and forged our own path.

This is our BOOMTOWN!” - Corey Braunel

Winemaker’s Notes: The wine of kings and the king of wine. Refined, yet rugged; the wine offers wonderful cherry fruit and balancing acid while giving you the rustic complexity of freshly crushed herbs.
